

Dear Patients and Friends,

I regret to inform you that as of December 15th, 2025, I will be resigning from my position at Katy Advanced OBGYN. I will be joining Baylor College of Medicine as an Assistant Professor at Texas Children's Hospital Pavilion for Women here in Houston, Texas, starting on January 7th, 2026.

If you would like to continue your care at Katy Advanced OBGYN, one of their providers will be available to take over your care upon my departure. If you desire to transfer your care to another practice, please fill out the attached medical release form, and we will transfer your medical records to your requested new provider.

I want to thank you for welcoming me into your lives and allowing me to participate in your care and milestones. I will miss each and every one of you tremendously. It has been an honor and a pleasure to serve you and the Katy community for the past eleven and half years.

Best Wishes,

Dr. Mona Romezi, FACOG
