

THE McCUISTON GROUP  
PEDIATRICS & LACTATION

# NEWSLETTER

## FROM DR. MCCUISTON

As your pediatrician, it's a privilege to partner with you in supporting the health and well-being of your children. This newsletter will provide monthly office updates. My goal is to provide reliable, easy-to-understand information you can trust—straight from our office to your inbox. Thank you for the trust you place in me and our team. We're here to support you and your family every step of the way. Happy New Year.

## OFFICE UPDATES

### Billing Updates

Effective January 1, all families will be required to have a credit card on file. Having a card on file decreases your check-in time, minimizes administrative burden and allows us to spend more time providing care to your children. You will never be charged without prior notification. If you have concerns about an upcoming charge, please call our office and we'll be happy to assist you.

## REMINDERS

Insurance coverage can change from year to year.

We encourage all families to check with their insurance providers to verify coverage and benefits in 2026.

Here are few common Q & A regarding insurance coverage:

### Q: Will there be a copay for my child's Well Visit?

A: While Well Visits are typically covered by your insurance, if an abnormality or pre-existing problem is discussed, a separate office visit code may be charged, which may result in a co-payment, co-insurance, or deductible.

### Q: Are vaccines covered under my insurance?

Routine vaccines are typically covered under your insurance plan when received at recommended times. Vaccines for travel may not be covered by your insurance. For individual coverage questions, please contact your insurance company directly.

### Q: How do I know what will not be covered?

The best way to know what will be covered by your insurance is to call your insurance provider directly. Coverage differs by plan. We can provide you with the procedure code. We encourage you to provide the code to your insurance company when calling.

## MAKE A NOTE

### Holidays & Observances

Our offices will be closed the following day:

Thursday, January 1, 2026: New Year's Day
