

March 23, 2026

Dear Patients and Friends,

Writing a letter about my upcoming retirement has been harder than I thought it would be. I cannot believe I am in my forty-first year of practice in Catonsville, MD. I have seen patients grow up and have children of their own and have said goodbye to those I have come to know as friends when they passed from this life. It is a bittersweet pill to swallow, but alas, it is my time to give the reins to someone else to continue the important work of Catonsville Primary Care Center, P.A. I have been working to find a replacement for myself that has taken some time. We have found an excellent physician who grew up in the Ellicott City and Catonsville area that is eager to start practicing here. His name is Salmaan Mubeen, MD.

I have scheduled a "meet and greet" on Saturday, June 6, 2026, from noon until 3 p.m. Those who want to meet Dr. Mubeen will have a chance to, along with an opportunity to say goodbye to myself and Mischelle, my medical assistant for the last 40+ years, since she will be retiring as well on July 1, 2026. Further information about our new colleague will be available soon on our website, mycatonsville.com. If you are scheduled to see me after July 1, 2026, you will automatically be transferred to Dr. Mubeen's schedule unless you call to change your appointment.

I want to thank you all for your support and trust in me over the years. I wish you all the best in health and happiness and hope you will continue to trust the practice with your health care. We have a genuinely talented and caring team, and we believe in our motto, "bring your family to our family."

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Miller", with a long, sweeping underline that extends to the right.

Paul Miller, MD
