Dear Patients,

After seven and a half wonderful years at Catonsville Primary Care Center, and many more years as both a nurse and Nurse Practitioner, I am writing to share that I will be retiring this spring. My last day of work will be March 31, 2027. The time has come for me to start the next chapter of my life, and I am looking forward to spending more time with my 13 grandchildren.

Caring for you and being a part of your life has been an absolute privilege. I will deeply miss our conversations, your smiles (and tears), and the trust you placed in me to manage your health.

Our office remains fully committed to your ongoing wellness. I want to assure you that you can continue to receive excellent care with Dr. Annie Lin, Dr. Salmaan Mubeen, and Joon Park, CRNP. Thank you from the bottom of my heart for so many incredible years of partnership and memories. I wish you and your loved ones a future filled with good health and happiness!

Blessings to you!
